KRISHIKA® BALL VALVES

Lead Free & Zero Calcium in Ball valves

Pioneer in Compact Ball valves

India's Largest Ball Valve Manufacturer

LEAD FREE

KRISHIKA PVC BALL VALVE

Normal Handle

* Available in Plain & Thread

Long Handle
32mm to 110mm

KRISHIKA PLUS PVC BALL VALVE

* Available in Plain & Thread

KRISHIKA-ECO PVC BALL VALVE

* Available in Plain End

PRODUCT DETAILS

SPECIFICATION :-

1. Material : RPVC / UPVC / CPVC
2. Operating Pressure : upto 100 PSI (7Kg / cm^2)
3. Maximum Tested Pressure : upto 200 PSI (14Kg / cm^2)

ADVANTAGE :-

- No leakage from connection
- Easy to install
- Long life
- Non Corrosive
- Does not get jammed even if not operated for long time
- Easy to operate
- As the handle is made out of Engineering Plastic chances of breakage is negligible
- Suitable for Agricultural and Domestic purposes

FUNCTION :-

Irrigation system

Pure water Transporting system

Waste water Transporting system

Drinking Water Transporting system

Chemical Transporting system, Fishery

APPLICATION :-

Chemical Plants, Coating Plants,

Paper Plants, Food Plants,

Pharmaceutical Plants,

Water Processing and hospitals

PVC BALL VALVE
(As per IS 4985-2000/
ISO 161/1:1978)
